“Talents” is a programme organised by Ambiente – the international consumer goods fair – to promote the next generation of outstanding designers. Applications may be submitted until 4 October 2018.

Ambiente is looking for young designers working in the fields of tableware, dining and interior design. The selected entrants will have the opportunity to present themselves and their product ideas in one of the two Talents zones at the trade fair: Table Contemporary Design in Hall 4.0 or Interior Design in Hall 8.0.

They can look forward to meeting the international buyers, decision-makers and talent scouts who will meet at Ambiente in Frankfurt am Main from 8 – 12 February 2019. This is a unique opportunity for up-and-coming designers to launch their own products for the first time. After all, what platform could be more ideal than Ambiente, the world's largest consumer goods fair?

In addition to free exhibition space, Messe Frankfurt offers the selected participants an opportunity to present themselves in a professionally designed area and establish important contacts with retailers and industry.
