23+

New perspectives for unusual times.

Dear Ladies and Gentlemen,

The experts from stilbüro bora.herke.palmisano have travelled the world to capture the strongest design ideas for Ambiente Trends 23+. The result is one of the most comprehensive and expressive global showcases of contemporary living. The three worlds of Ambiente Trends 23+ will be presented in the foyer of Hall 4.1 using numerous exhibitor products. In addition, Annetta Palmisano from stilbüro bora.herke.palmisano will give in-depth talks twice daily at the Conzoom Solutions Academy.

The latest styles will soon be in reach as the consumer goods industry finally meets up again in person at Ambiente in Frankfurt. You'll then have the chance to experience the touch and feel of products – live. [In the meantime, you can get a sneak preview of the coming trends here.](#)

We look forward to welcoming you in February.
