26.–30.1.2024
FRANKFURT/MAIN

NEW – Please inform your stand builders and forwarders accordingly

Setup + Dismantling information - Hall 2 / Festhalle

Setup - Information

- **Regular setup - 20 January 2024**
The halls will be open throughout from this date.
From 15:00 on 25 January 2024, exhibitors will only be able to set up inside their stands as our staff will be laying carpeting in the aisles.

Dismantling - Information

- **Shorter dismantling times: 30.01. – 17:00 – 31.01.2024 - 22:00**
You may start dismantling your stand immediately after the trade fair closes at 17:00 on 30.01.24. Carpets will be removed from the aisles from 17:00. To enable this process to be completed speedily, please ensure that you leave no items/objects on the carpets. Empties will then be returned to the stands.
- **Registration of vehicles for dismantling operations:**
Please drive trucks/transporters used in dismantling operations to the Rebstock site. Here, vehicles will be registered and issued with an entry ticket that authorises them to enter the site early.
- Your dismantling assistants may access the exhibition centre **from 17:00** by showing their setup/dismantling tickets
- Please ensure that your stand is completely dismantled by 22:00 on 31 January 2024. Otherwise the stands will be dismantled at your expense.
