A WORKPLACE WITH A BRIGHT FUTURE.

Unique. Innovative. Top quality. Office Design & Solutions in the Working area is the perfect place to share groundbreaking ideas on co-working, mobile working, working from home and more. This is where the industry's trailblazers enter an interior design setting. These premium products and solutions are surrounded by furnishing and equipment in the Living area. Office supplies and technology accompany them in the area Future of Work. This is how Working, Home and Office merge with Lifestyle and New Work. It's a future-focused combination that generates synergies between the Working product groups and to the other areas of Ambiente.

Our partners in Future of Work and across Working include:
