ADVERTISING
MATERIALS

Be seen, be visited.

Dear Mr/Mrs/Ms X,

It's time to let everyone know you're worth a visit! So why not invite **as many customers and business partners as possible** to visit you in person at your Ambiente 2025 stand – for a chat and of course to get a good look at your new products.

It's simple and effective to do: just use our **free, customisable package of advertising materials**.

In just a few clicks you'll have **everything you need**, from a key visual to an e-card and an info flyer showing a floor plan. You'll find them all in the Exhibitor Services Shop under 'Marketing Services' and 'Free advertising materials'. As for your **admission vouchers**, these are available via the 'Ticket Services for Exhibitors' portal.

If you'd like to know how you can customise these materials or have any other questions, contact the advertising team by e-mail at service@dialogistiker.de.

We look forward to seeing your stand, **your many trade visitors**, and you!
Your Ambiente Team
